One of the events of the past week at the new Masonic Temple was the completion of a fine new pipe organ in lodge room No. 1. The organ was installed by Droop & Son, and Harry Hall, of the Hall Organ Company, of New Haven, Conn., completed the work of installation last week, and it was used for the first time at the stated communication of Harmony Lodge, No. 17.

The organ is of the latest design, and is finished in San Domingo mahogany. It is thoroughly up to date, and has a concave and radiating pedal board. The specifications of the organ are as follows: Great organ, 8-foot open diapason, 61 pipes; 8-foot dulciana, 61 pipes; 8-foot melodia, 61 pipes; swell organ, 8-foot stopped diapason, 73 pipes; 8-foot salicional, 73 pipes; 8-foot aeoline, 73 pipes; 4-foot flute harmonic, 73 pipes; pedal organ, 16-foot bourdon, 32 pipes; couplers, swell to great 8, swell to great 4, swell to great 16, great to great 4, swell to swell 4, swell to swell 16, great to pedal, swell to pedal; other accessories, two adjustable combinations on swell and two on great; reversible great to pedal, and balance crescendo pedal, bringing on all the organ from the softest to the loudest.

There are two other organs in the temple, but none of a finer construction than the one just installed. The lodges that will use this organ are Federal, No. 1; Lebanon, No. 7; The New Jerusalem, No. 9; St. John's, No. 11; Washington Centennial, No. 14; Benjamin B. French, No. 15; Dawson, No. 16; Harmony, No. 17, and Lafayette, No. 19.
