

The Second Baptist Society's New Organ.

Not the least attractive of the attractions in the new Second Baptist church will be the new organ, built by Johnson & Son of Westfield. It is an instrument which is listed at \$6,000, though it is understood the society do not have to pay quite that amount. A water motor will run the bellows. The wood work is all doubly shellacked and the exterior case is rich and tasty. The organ has three manuals of 58 notes each, and pedals of 27 notes.

Manual 1 contains 10 registers, 696 pipes.  
" 2 " 10 " 696 "  
" 3 " 6 " 336 "  
Pedale, " 3 " 81 "  
Total number of pipes, 1,859

MANUAL 1.—GREAT ORGAN.
