Dear Ridge:

Enclosed are signed copies of a Portable contract for the above church. Cliff got this one as a sort of wind fall. You will note it is with detached console. Check for \$327.25 is attached.

I think everything is in order on this deal as he filled out a questionnaire for cable length, finish color etc.

Yes
About a week ago I asked either you or Daniels a question about delivery time on these Portables with detached console and to date have had no reply. I assume the last word we had on Portable delivery* - 6 to 8 weeks, still holds. But I wondered if this fast time applied to detached consoles too, and rather doubted it. Will you advise me on this point as we have another one or two interested in detached consoles.

Sincerely,

M. P. MOLLER, INC.
