GENERAL

- (1) Install individual type expression actions for 30 shades in Swell Organ.
- (2) Install tuning slides on all present metal pipes not provided with slides at this time.
- (3) Supervise the construction of a tone opening in the chancel ceiling and organ chamber wall, as suggested by L. B. Buterbaugh, the actual work to be a part of the renovation of the sanctuary under contract with others.
- (4) Supervise the relocation of the combination action panel in a horizontal position.
- (5) Fine tune the entire organ.
