

Memorandum of Agreement, Made this....13th.....

day of December.....A. D., 1940., by and between M. P. MOLLER, Inc., of Hagerstown,
Maryland, party of the first part, and.....FIRST SWEDISH EVANGELICAL FREE CHURCH..
.....CHICAGO, ILLINOIS.....
party of the second part.

Witnesseth: That the party of the first part hereby agrees to build an organ after and
according to the annexed specifications and plans to be hereafter approved by party of second
part, and to erect it in.....FIRST SWEDISH EVANGELICAL FREE CHURCH.....
BERWYN AND ASHLAND STREETS, - CHICAGO, ILLINOIS.....
ready for use on or before the...30th.....day of March.....A. D., 1941.,
or as soon thereafter as possible in the event of delays beyond its control.

2. The party of the first part agrees that the organ when completed shall be first class, free from
defects in material or workmanship, and that the party of the second part may have it examined,
immediately on completion, in the presence of representative of first party, by a competent and
disinterested expert, and if said examination shows that the organ does not conform with this
agreement the party of the first part agrees to remedy defects at its own expense.

3. The party of the first part guarantees the action and construction of the organ for a term of
five years from date of completion and agrees to correct defects in material or workmanship that
may be brought to its attention within that time, without cost to the party of the second part.
This does not include tuning or ordinary care of the organ (or electric motors which are guaranteed
by the manufacturers for one year).

4. Casing, grilles or display pipes are not included unless specified in the attached specifications.

5. In consideration of the above, the party of the second part agrees to pay to M. P. Moller, Inc.,
or order, the sum of...Twenty four hundred (\$2,400.00).....
.....

AS FOLLOWS:

FIRST PAYMENT:\$500.00.....cash.....
on the signing of this contract.

SECOND PAYMENT: ..Rest cash on completion and acceptance.....
when the organ has been built and installed, and the balance as follows:
.....
.....
.....

6. The party of the second part also agrees that the building will be in proper condition for the
installation of the organ.....Two.....weeks previous to date of completion; that they
will allow, free from interruption, suitable convenience and opportunity for the installation in the
building, provide such a condition of quiet as is necessary for the proper tone regulation and tuning
of the instrument, and necessary light, heat and power.

7. The party of the second part also agrees to insure the organ or its parts against loss by fire,
water, etc., as soon as the parts are placed in the building, for the benefit of the parties hereto,
as their interests may appear.

Additions - \$125.00

MAR 13 1941

8. When electric motor is included in specifications, party of the second part agrees to provide foundation and enclosures when necessary, to furnish and install all wind conductor between blower and organ; to do all wiring connected therewith; to install such lights as may be needed for the erection and future care of the organ, and do any necessary cutting of floors, partitions, or other parts of the building. In the event that automatic remote control motor starter, electrical conduits or other special equipment are required they are to be furnished by party of second part.

9. ~~When organ chambers are so located that organ parts must be hoisted by skids, block and tackle or other mechanical means the necessary apparatus is to be furnished by party of second part.~~

10. It is mutually understood and agreed that this contract shall be binding after, but not before, acceptance at Hagerstown, Maryland by the party of the first part, and it is to be conclusively presumed that the conditional sale hereby made is made and consummated at said Hagerstown, Maryland, where said organ is to be constructed in the plant of the party of the first part.

11. It is also mutually understood and agreed that the organ, when completed and installed, will in every event be and be deemed to be, and treated as personal property; and that the title and ownership of the organ shall be and remain in the party of the first part until the purchase price hereinbefore mentioned, together with any and all promissory notes given in respect thereof have been fully paid, with interest, after which the instrument shall become the property of the party of the second part; and it is further agreed that, until the completion of payment the organ shall be held by the party of the second part and/or other owner or lessee of the premises in which the organ is contained, free and excluded from any lien, mortgage, pledge or other incumbrance, except such as shall be expressly subject and subordinate to the right and title of the party of the first part, as herein expressed.

12. It is mutually agreed that all verbal agreements and understandings are merged in this contract and the specifications attached hereto.

In Witness Whereof we have hereunto set our hands and seals this day and year first above written.
