

# ASHBURN CHAPEL, BROOKS SCHOOL

*North Andover, Massachusetts*

AEOLIAN-SKINNER ORGAN Co.  Opus 980

Contract dated 19 July 1938  Dedicated 20 November 1938

*This 'uncompromising' 1938 G. Donald Harrison organ represents a fruitful collaboration with Edward Flint, organist at Brooks from 1936 to 1968.*

*Begun in the autumn of 2000, restoration will be complete by the end of summer. Apart from removing an added Antiphonal, all aspects of this historic instrument are being restored without alteration, including the electro-pneumatic console, combination action and switching system.*
