IN MR. AVER'S GIFT**  
Memorial to Wife Will be Dedic-  
ated To-morrow at North  
Baptist Church.

**FESTIVAL CHORUS ON  
THE EVENING PROGRAM**

The first notes on the new pipe or-  
gan of the North Baptist Church will  
be heard tomorrow morning at 10:30  
when the organist, Mr. C. C. Dwyer,  
will play the festive "Victory March."  
The organ, an exact 100-manufacture  
instrument, was the generous gift  
of Mr. J. M. Aver, who has been  
generously contributing to the  
equipment of the church and city.  
The organ was purchased at the  
expense of the church and city.  
The organ is a fine specimen of  
the art of organ building. It has  
four manuals and a full complement  
of stops. It is a masterpiece of  
craftsmanship and is a fitting  
addition to the church's equipment.  
The organ will be used for many  
years and will be a source of  
pleasure to the church and city.
