

HENRY BERGER (1849); the renovation and enlargement of a pre-existing organ in the church, May, 1849

Trinity Evangelical Lutheran Church
Baltimore, Maryland

“Organ Builders. / The Vestry of... [Ad],” *The (Baltimore, Md.) Sun* 25, no. 7 (Tuesday, May 22, 1849): 3; hereafter *J.*

ORGAN BUILDERS.
THE VESTRY of the Evangelical Lutheran Trinity Church take pleasure in testifying to the superior skill, prompt execution and moderate charge of Messrs. H. & GEO. BERGER, lately from Germany, in the repairing and constructing of several new Stops to their Organ, which is now actually twenty per cent. better than when new. We therefore recommend Mr. BERGER & BRO. to the liberal patronage of the public generally, and that of Baltimore particularly, confident that they will give satisfaction to all who may employ them.
H. & GEO. BERGER,
Organ Builders and Piano Forte Manufacturers,
No. 13 TEMPLE STREET.
Beg leave to inform their friends and the public generally, that they have established a Factory for Building ORGANS of all descriptions. Their testimonials, as celebrated Organ builders in Germany, can be seen at their Factory.
They also manufacture Grand and Square PIANO FORTES, with all the new improvements.
REPAIRS will be done in the best and cheapest manner. m 22-2t
