

MODERNIZE

THE THIRD PRESBYTERIAN CHURCH, ROCHESTER, N. Y., having a large Three-Manual Johnson Organ about 25 years old, found on investigation that to replace it with a new one would cost them around \$25,000.

They also found that it was a very splendid Instrument except that the action had become obsolete by virtue of the advance in The Art of Organ Building during the 25-year period.

Upon further investigation they found that THE BUHL & BLASHFIELD ORGAN COMPANY of Utica, N. Y., had successfully rebuilt a Four-Manual Organ in St. Mary's Church, Binghamton, N. Y., and that both the Organist and Pastor were unstinting in their praise of the work.

They consequently awarded a contract to THE BUHL & BLASHFIELD ORGAN CO. to rebuild the action, replace some string and reed stops, add a new Diapason, and to furnish an entirely new and modern Console, under the direction of Mr. Wilson and Mr. Gleason of the Eastman School of Music.

We suggest that before abandoning your good Organ you consult with
