NOTE:

Draw Knob Console to be used - per Dr. Stone letter of 3/10/53

If the draw knob type console is used, the Intra-manual couplers will be controlled by draw knobs placed with their respective stop groups, and affected by the combination pistons of that division. The Inter-manual and Manual to Pedal Couplers will be controlled by tilting tablets placed in a single row above the Swell Manual, and will be affected by the General Pistons only.
