

Syracuse University Organist to Give Program

Arthur Poister, organist at Syracuse University, will present an organ recital sponsored by the Thursday Morning Musicales and Elmira chapter of organists Guild Monday night at 8:30 in the First Baptist Church.

Deeply interested in the organ works of J. S. Bach, Mr. Poister presented the complete organ literature of Bach in a series of 20 recitals and 12 lectures at the University of Redlands in California. His reputation as an interpreter of Bach has resulted in invitations to present all-Bach programs in Los Angeles, Cleveland, Montreal, and for Bach Festivals in Baldwin Wallace College, Los Angeles, Grand Rapids and in St. Louis.

He has been recitalist for the National Conventions of the American Guild of Organists. In the course of the last few years he has appeared in many recitals from coast to coast and in Canada which have included appearances at many major universities.
