## North East Items.

*A Grand Organ.*—A new organ for the ancient edifice of the Protestant Episcopal Church of St. Mary, in this place, has just been completed, and erected by Mr. John Roberts, of Frankford, Philadelphia city. This instrument contains one full rank of Keys, from C C to G in alt., being 4 and 8-12 octaves compass, or fifty-six notes.

All the foregoing are enclosed by a Swell, and controlled by a Swell Pedal, also by a Forte Combination Pedal, and a Piano Combination Pedal, which control all the ranges of Stops and Pipes. The tone of the organ is full, rich, and of a pleasant singing quality. The touch of the Key board is quite light, and very agreeable. Prof. Roberts, the builder, remained for the worship of last Sunday afternoon, to perform on the organ. There were a great many persons present to see and hear the instrument, on this occasion of its debut.

*Beautiful Autumn.*—There may be a certain sense in which these days are the "loveliest of the year" but surely in many
