

C O P Y.

ORGAN #3498.

# Memorandum of Agreement, Made this....5th.....

day of...October.....A. D., 1922., by and between M. P. MOLLER, Inc., of Hagers-  
town, Maryland, party of the first part, and

....Whitfield Methodist Episcopal Church,.....  
of the second part.

**Witnesseth:-** That the party of the first part hereby agrees to build an organ after  
and according to the annexed specifications and plans to be hereafter approved by party  
of second part, and to erect it in...Whitfield Methodist Episcopal Church...  
...of Detroit, Mich.....  
ready for use on or before the.....20th.....day of Jan....A. D., 1922.  
or as soon thereafter as possible in the event of delays beyond his control.

2. The party of the first part agrees that the organ when completed shall be first class,  
free from defects in material or workmanship, and that the party of the second part  
may have it examined, immediately on completion, in the presence of representative of  
first party, by a competent and disinterested expert, and if said examination shows that  
the organ does not conform with this agreement the party of the first part agrees to  
remedy defects at his own expense.

3. The party of the first part guarantees the action and construction of the organ for a  
term of <sup>five</sup> ~~one~~ year from date of completion and agrees to correct defects in material or  
workmanship that may be brought to his attention within that time, without cost to the  
party of the second part. This does not include tuning or ordinary care of the organ (or  
electric motors which are guaranteed by the manufacturers for one year).

4. In consideration of the above, the party of the second part agrees to pay to M. P.  
Moller, Inc., or order, the sum of...Three thousand dollars. (\$3,000.00)..

AS FOLLOWS:..\$750.00 when organ is installed and accepted....

Balance in three equal payments covering a period of three years  
covered by notes bearing interest at 6%.....

5. The party of the second part also agrees that the building will be in proper condition  
for the installation of the organ....four.....weeks previous to date of completion;  
that they will allow, free from interruption, suitable convenience and opportunity for  
the installation in the building, provide such a condition of quiet as is necessary for  
the proper tone regulation and tuning of the instrument, and necessary light, heat and  
power.

6. The party of the second part also agrees to insure the organ or its parts against loss  
by fire, water, etc., as soon as the parts are placed in the building, for the benefit of  
the parties hereto, as their interests may appear.
