

PUBLIC INVITED TO ATTEND ORGAN RECITAL AT TEMPLE

Invitations have been extended to the public in general to attend the organ recital to be held at Temple B'nai Israel tomorrow afternoon at 4 o'clock. An attractive program has been arranged, including several selections by American composers, in observation of "American composers day," fostered by the Texas Association of Organists.

In addition to the synagogue quartet Miss Laura Park, organist at the temple, Anthony Rahe and Mrs. Sam I. Miller will render selections. The new Pilcher organ, the gift of Mrs. H. Kempner, will be used.
