SPECIFICATIONS

M. P. Moller, Inc., agrees to rebuild present organ using all new action, including new wind chests, the smaller pipes to be returned to the Factory and all pipes to be cleaned, repaired, revoiced on at least five inch wind pressure, slide tuners put on all metal pipes not having them, and the console to be returned to the factory and rebuilt.

M. P. Moller, Inc., reserves the right to use any of the present frame work and swell shades in first class condition that could be re-adapted to the new location but with the definite understanding that these parts would have to be rebuilt and put in as good condition as new.

A-440. No Swell box, Old front, Silver contacts.

Pipes of present organ specified below as "old" to be used.
