

## CONGREGATION GEMILUTH CHASSODIM Alexandria, Louisiana

In selecting the organ for the beautiful Temple Gemiluth Chassodim, Alexandria, La., the question of quality was given first consideration.

Robert Morton Church Organs cannot be surpassed in richness, power and beauty of tone, expert workmanship, and mechanical excellence.

Direct successors to the pioneers in Western America in the art and science of organ building, the Company has grown to be financially strong and successful, particularly by reason of the unusual merit of its product.
