GENERAL

The church to provide an enlarged tone opening, and adequate chamber conditions, to recommendations by M. P. Moller, Inc.

This proposal includes supports for catilevered Great chest, and necessary casework to enclose these chest.

The present Moller console, Swell Trompette unit chest and pipes, and Pedal Subbass unit chest and pipes, are to be reused in this proposal. They are to be returned to the factory in Hagerstown, Maryland, for total rebuilding and re-working to adhere to these specifications. When re-installed they will be deemed 'new', and guaranteed as such.
