ORGAN # 3155.
Memorandum of Agreement, Made this.....10th.....

day of.....**March**.....A. D., 19 **21**, by and between **M. P. MÖLLER**, of Hagers-
town, Maryland, party of the first part, and

.....**The Trinity Lutheran Church of Reese, Mich.**.....
party of the second part.

Witnesseth:- That the party of the first part hereby agrees to build an organ after and
according to the annexed specifications and plans to be hereafter approved by party of second
part, and to erect it in...**the Trinity Lutheran Church,**.....
.....**Reese, Mich.**.....

ready for use on or before the.....**25th**.....day of.....**August**.....A. D., 19**21**,
or as soon thereafter as possible in the event of delays beyond his control.

2. The party of the first part agrees that the organ when completed shall be first class, free from
defects in material or workmanship, and that the party of the second part may have the organ ex-
amined immediately on completion, by a competent and disinterested expert, and if said examina-
tion shows that the organ does not conform with this agreement the party of the first part agrees
to remedy said defects at his own expense.

3. The party of the first part guarantees the action and construction of the organ for a term of
five years from date of completion and agrees to correct defects in material or workmanship that
may be brought to his attention within that time, without cost to the party of the second part.
This does not include tuning or ordinary care of the organ (or electric motors which are guaranteed
by the manufacturers for one year).

4. In consideration of the above, the party of the second part agrees to pay to M. P. Moller, or
his order, the sum of...**Three Thousane One Hundred (\$3,100.00) Dollars**

.....
AS FOLLOWS:..**One Thousand Five Hundred (\$1,500.00) Dollars** when
...**organ is installed. The Balance of \$1,600.00 in three equal**
...**payments of \$533.33 each, covering a period of eighteen months.**

5. The party of the second part also agrees that the building will be in proper condition for the
installation of the organ.....**four**.....weeks previous to date of completion; that they will
allow, free from interruption, suitable convenience and opportunity for the installation in the build-
ing, provide such a condition of quiet as is necessary for the proper tone regulation and tuning of
the instrument, and necessary light, heat and power.

6. The party of the second part also agrees to insure the organ or its parts against loss by fire,
water, etc., as soon as the parts are placed in the building, for the benefit of the parties hereto, as
their interests may appear.

No. 2

7. When water or electric motor is included in specifications, party of the second part agrees to provide foundation and enclosures when necessary; to furnish and install wind conductor between blower and organ; to do all wiring or plumbing connected therewith; to install such lights as may be needed for the erection and future care of the organ, and do any necessary cutting of floors, partitions, or other parts of the building. In the event that local regulations require the use of an automatic remote control motor starter, electrical conduits or other special equipment they are to be furnished by party of second part.

8. It is mutually agreed that the title and ownership of the organ shall remain with party of the first part until the contract price, before mentioned, has been fully paid, after which the instrument shall become the property of the party of the second part; also that all verbal agreements and understandings are merged in this contract, and the specifications and details of construction attached hereto.

In Witness Whereof we have hereunto set our hands and seals this day and year first above written.
