Recital By Prof. Kraft At Presbyterian Church

The dedication committee of the First Presbyterian church was very much disappointed Saturday to learn that Prof. McAfee of Wooster, who was to give the organ recital Wednesday evening, is confined to his bed and will be unable to come. However, they are much gratified to know that they were able at that late hour to secure the services of one so competent as an organist as Prof. Edwin Arthur Kraft of Cleveland. Mr. Kraft is a Fellow of the American Guild of Organists, which places him among the comparative few best organists of the country.

The following is the program to be given by Mr. Kraft:
