

### Organ Dedication.

The large new pipe organ recently erected in the Jordan Lutheran church in South Whitehall, Lehigh county, is to be consecrated on Whit Sunday, May 20th. There will be services appropriate to the occasion morning, afternoon and evening, in which the pastor, Rev. F. H. Bernd, will be assisted by a number of eminent divines from abroad. The new instrument was built by Mr. Samuel Bohler, of Reading, and is one of the finest outside of the large cities.
