13. That the organ, when completed and installed, will in every event be and be deemed to be, and be treated as personal property; that the title and ownership thereof shall be and remain in the Manufacturer until the purchase price and any and all promissory notes given in respect thereof (together with all applicable interest thereon) have been fully paid, after which said organ shall become the property of the Church; and until the completion of payment as aforesaid the organ shall be held by the Church and/or other owner or lessee of the premises in which the same is contained in trust for the use, benefit and security of the Manufacturer, free, clear and excluded from any lien, mortgage, pledge or other encumbrance of whatever nature, except such as shall be expressly subject and subordinate to the right, title and interest of the Manufacturer as herein expressed.
