

**A Rare Musical Treat.**

The new organ of the Allison Memorial Methodist Episcopal church will be opened on the evening of January 24th. This organ has had the reputation of being the sweetest toned instrument in Baltimore. It has been thoroughly rebuilt by Mr. J. Edward Schad, of that city, and will be presided over at the recital by Mr. Roscoe Huff, of Williamsport, a very talented organist. Mrs. A. J. Senseman, of Harrisburg, whose singing gave so much pleasure at the Epworth League concert in November, will render two solos, and we shall also be favored with selection by the Dickinson College Quartette. Admission for old and young will be twenty five cents. Tickets can be secured at the store of Mr. J. S. Bursk. The accompanying card with reference to Mr. Huff from Rev. Father Ganss, of St. Patrick's Catholic church, whose musical abilities render his judgment of great value, cannot fail to interest all.
