To use the pipes in a Moller organ now installed in the Fox Washington Theatre, Detroit.

We send said pipes to the Moller factory to be cleaned and revoiced.

To add three sets of new pipes, making 20 sets instead of 17 sets.

To furnish new console of the latest design, woodwork to match church furniture.

The organ to have new Electro Pneumatic action magnets throughout. The latest design of adjustable magnets. All contacts in organ chambers to be pure silver.

We are to use the 20 tube set of chimes and the 37 Bar Harp now installed in the Fox Washington Theatre.

All pipe sets are to have new chests and action.

We are to use the swell boxes now enclosing the Fox Washington Theatre organ, and any other such parts that are not active or mechanical.

To use the present blower with new generator.

To furnish a new display front of paneled casing built of lumber selected, and sample furnished by the purchaser, front not to exceed 865 sq. ft.

To furnish a decoration above this casing to cover or hide the active parts of the organ.

This decoration to consist of grille or display pipes or a combination of grille and display pipes, the blue print of display front must be accepted and signed by the purchaser. Same Holy Family Church, Saginaw.

The Moller factory will pay all freight and drayage install the organ complete except, the church will install floor where the blowing plant rests bring the power wires to the motor, cut a 15 in. hole through the wall for the air duct.
