

Recital and Concert at Daretown.

The grand concert and recital on the new pipe organ in the Daretown Presbyterian church last evening was a complete success. It was given for the purpose of raising funds to pay for the new pipe organ, which, by the way is about the size of the one in the First Presbyterian church of this city. Prof. George Jardine, of New York City, rendered some beautiful selections on the fine organ in a masterly manner and the excellent First Presbyterian choir of this city assisted by F. Husted and Wm. A. Logue, sang some choruses, &c., in a manner that delighted all who heard them. There were sixteen selections on the program and not one that was not well rendered.

Among those participating from Bridgeton were Mr. and Mrs. Thomas R. Janvier, J. Lewden Robeson, Mrs. Kirk, Wm. A. Logue, Misses Mary and Sallie Reeves, Messrs. Chas. Mulford, Frank Moore, P. Kennedy Reeves and Frank M. Porch. Miss Bessie R. Reeves officiated as accompanist at the organ. The party reached Bridgeton about one o'clock this morning. We hope a large sum was realized toward paying off the debt on the organ.
