

ST. PATRICK'S DAY—The day will be celebrated at St. Paul's Church, CHRISTIAN Street, on which occasion the new organ made by Messrs. Hall & Labagh, New York, will be opened. The organ is a fine one. It has two full ranks of keys, thirty steps and pedals, and has been completely finished and put up in the church in less than four months from the day it was contracted for. Mr. A. F. Dos Santos, of St. Mary's, who, with the choir of that church, has kindly consented to open the new organ, will perform a Grand Mass on the occasion. Tickets, 25 cents; can be had at the Church.
