To Mr. H. M. Ridgely
 From Victor I. Zuck
 Subject Lebanon Lutheran Church, DuBois, Pa.
State name first and place of subject thus the details on which this letter dwells
 Replying to Letter Dated April 1, 1958
 Copies to _____
 Date May 7, 1958

Dear Monroe:

Last week I called on the above church, to examine the Hillgreen, Lane organ which has been badly in need of repair.

I have discouraged rebuilding, and suggested a completely new organ, and they are inclined to agree, but have no money.

For consideration, they would like proposals for a new organ to make the project realistic in their quest for funds.

Please furnish proposals for the following:

1. No. 6, Five stop, Unit Standard with Salicional as the String, and Oboe in place of Trumpet.
2. No. 23, Five stop, Standard Duplex with the same tonal changes as above, adding to the Great, Octave 4'-12 pipes.

To the above quotations, I will add \$200.00 for cost of case panel.

Specifications of present organ are enclosed, and space available is 9' - 11" wide by 8'-0" deep and 14' - 0" high.

Sincerely,

Victor I. Zuck

May 13, 1958

Dear Vic:

We acknowledge your letter of May 7th regarding the above church and in accordance with your request we are enclosing herewith two specifications for this church which are No. 6 five stop standard unit and No. 23 five stop standard duplex. We have made the changes you suggest.

On the unit you can quote \$8,925 and on the duplex \$9,100.

Kindest regards,

Sincerely yours,

HMR/am

This Agreement, Made this 17th day of May 1965, by and between M. P. Möller, Inc., a corporation, of Hagerstown, Maryland, hereinafter called the "Manufacturer" and THE LEBANON EVANGELICAL LUTHERAN CHURCH hereinafter called the "Church" whose address is DUBOIS, PA.

Witnesseth: That the parties hereto, each in consideration of the promises and agreements of the other party herein contained, do promise and agree as follows:

Manufacturer agrees:

1. To manufacture an organ after and according to the annexed specifications and to plans of the organ location space to be hereafter submitted by the Manufacturer and to erect said organ in THE LEBANON EVANGELICAL LUTHERAN CHURCH, DUBOIS, PA. ready for use on or before the 15th day of July 1966, or as soon thereafter as possible in the event of delays beyond its control.

2. That the organ when completed shall be first class, free from defects in material or workmanship, and that the Church may have it examined, immediately on completion, in the presence of a representative of the Manufacturer, by a competent and disinterested expert; if said examination shows that the organ does not conform with this Agreement, Manufacturer will, at its own expense, make it so conform.

3. To guarantee and does hereby guarantee the action and construction of the organ for a term of five (5) years from the date of completion, against defects in material and workmanship; and agrees at its own cost to correct any defects in either material or workmanship that may be brought to its attention within that time. This guarantee does not include tuning or ordinary care of the organ (or electric motor and rectifier which are guaranteed by the manufacturers thereof for one year), nor does it include any difficulties with or failures in the mechanism or operation of said organ which may be brought about by failure properly to protect, service and care for the same or by misuse or abuse thereof.

The Church agrees:

4. To pay to Manufacturer the sum of \$ 8,996.00 as follows:
First Payment: 10 % or \$ 899.60 on signing of this Agreement.
Second Payment: 25 % or \$ 2,249.00 when the organ is ready for assembly at the factory, and the balance as follows: 65% or \$5,847.40 upon completion. Alternate payment 15% or \$1,349.00 upon completion, and the balance of \$4,498.40 payable in two years. Deferred payment secured by notes bear 6% interest.

5. To pay any and all federal, state, county and/or city excise, sales and/or use taxes applicable to the transaction evidenced hereby; said taxes to be paid according to law to such person or authority as may be proper, in addition to the above price.

6. That the building and organ location space will be in proper condition for installation of the organ two weeks previous to the above mentioned date of completion, and further agrees if the building is not ready for the installation within six months after the above mentioned date of completion, to a possible increase in price up to and including 5% of the above mentioned price. Any such increase, if applied, must be as a result of increases in cost and justified by the Manufacturer as the direct result of delay in installation.

7. That at and after the time of delivery it will provide all necessary light, heat, power, and uninterrupted opportunity to install said organ under such conditions as are necessary for proper tone regulation and tuning.

8. At its own cost to cause to be done, furnished, provided and/or installed: (a) Any necessary foundation and enclosures for the electric motor and blower, (b) all wind conductor between blower and organ, (c) all wiring connected therewith, (d) such lights as may be needed for the installation and future care of the organ, (e) any necessary cutting of floors, partitions or other parts of the building, (f) automatic remote control motor starter, electrical conduits or other special equipment when required, and (g) skids, block and tackle or other proper mechanical apparatus and all labor connected therewith, when organ chambers are so located that organ parts must be hoisted.

9. To carry out the provisions of Paragraph 8 hereof promptly and diligently so that installation of said organ is not delayed.

10. To assume and does hereby assume all risks of damage to or loss of said organ and its parts from and after such time as the same are placed in the building where the organ is to be installed (except such damage or loss as may directly result from the acts of the Manufacturer or persons making said installation of it); and at its own cost and expense immediately upon such delivery, to insure said organ and its parts against loss or damage by fire, water and other risks provided for in standard fire insurance policies containing extended coverage endorsement, in such manner and to such extent as will inure to the benefit of and fully protect the parties hereto, as their respective interests may appear.

It is mutually agreed:

11. That cabinet work (except as necessary to enclose the console), grilles, panel work, etc. are not included in this Agreement.

12. That in the event manufacturer of the organ is delayed beyond the anticipated date of delivery mentioned in the Agreement by reason of governmental regulations, and during such period of delay the Manufacturer's labor and/or material costs shall increase to such extent that it believes, in good faith, that it cannot manufacture said organ at the named price without loss, the parties hereto will negotiate in good faith for a reasonable increase in price; in the event of failure to agree upon such increase, either party hereto may cancel this Agreement by written notice to the other; and upon such cancellation the Manufacturer shall promptly return any payment or payments theretofore received by it under this Agreement.

13. That the organ, when completed and installed, will in every event be and be deemed to be, and be treated as personal property; that the title and ownership thereof shall be and remain in the Manufacturer until the purchase price and any and all promissory notes given in respect thereof (together with all applicable interest thereon) have been fully paid, after which said organ shall become the property of the Church; and until the completion of payment as aforesaid the organ shall be held by the Church and/or other owner or lessee of the premises in which the same is contained in trust for the use, benefit and security of the Manufacturer, free, clear and excluded from any lien, mortgage, pledge or other encumbrance of whatever nature, except such as shall be expressly subject and subordinate to the right, title and interest of the Manufacturer as herein expressed.

14. That this Agreement shall be binding after, but not before, acceptance by the Manufacturer at Hagerstown, Maryland, where said organ is to be constructed in its plant; and that all verbal agreements and understandings are merged in this agreement and the specifications attached hereto, which constitute the entire agreement.

14a. This agreement shall include removal of the present organ without expence to the Church; same to become the property of M.P.MOLLER, INC.

In Witness Whereof, The Church has caused this Agreement to be executed by its duly authorized officers and its seal to be hereto affixed the day and year first above written, and Manufacturer has caused this Agreement to be accepted by its duly authorized officers and its seal to be hereto affixed the day and year hereinafter written.

INSTRUCTIONS - READ CAREFULLY

1. USE OF FORM

(a) This Blanket Exemption Certificate form is for use in a series of transactions. It may not be used for the purchase or lease of any motor vehicle, trailer, semi-trailer or tractor required by law to be registered with the Pennsylvania Bureau of Motor Vehicles. For such transactions, use Form RSU-21.

(b) SELLER OR LESSOR MUST file and retain this Certificate, together with his copies of all invoices or other documents relating to transactions hereunder, for at least three years from the end of the year in which the last sale or lease hereunder takes place, unless the Department grants written permission to dispose of them earlier.

2. REPRODUCTION OF FORM

This form may be reproduced without prior permission of the Department. Only that portion of the form which appears in the box above is required. Exemption Reasons from the list on the reverse side may be pre-inserted in the proper space. Only that part between quotation marks need be shown. No other substantial alteration or omission is permitted.

3. DATE OF ACCEPTANCE AND VALIDITY

This Certificate is void as to any sale or lease which takes place more than sixty days prior to the date on which the seller or lessor obtains the Certificate. In such case, the seller or lessor is required to establish, by satisfactory evidence other than this Certificate, that the sale or lease was in fact exempt, and the burden of proof is upon the seller or lessor.

4. ADDITIONAL INFORMATION may be obtained from any District Sales and Use Tax Office or from: Bureau of Sales and Use Tax, 1846 Brookwood Street, Harrisburg, Pennsylvania.
