Such pipes from old organ as are used are to be reconditioned equal as new, cleaned and revoiced.

This contract includes all changes to the choir platform; carrying said platform out to extend over the aisle to the line of pew heads, furnishing and installing choir stalls on either side and in back of the console to maximum capacity of the choir loft, together with suitable music racks of approved design.

All necessary conduits, wind ducts and wiring of whatever nature or purpose are to be supplied by M. P. Moller, Inc., but such facilities as are now present may be employed if found to be in satisfactory condition and of adequate capacity.
