

ORGAN DEDICATION.—The new organ of the Lutheran and Reformed Church at Shoemakersville was dedicated on Sunday last. The audiences were large and attentive. In the afternoon many of those assembled were unable to gain admission into the building. Rev. A. R. Horne, of the Keystone Normal School, preached in the forenoon. Rev. Hoffman officiated in the afternoon and performed the dedicatory service. The organ was built by Mr. Samuel Bohler, of this city, and cost \$1,000.
