Re - Whsle. Order #23305  
Mr. Wm. F. Raskob, Wilmington, Del.  
1 Style OR Wal. Design 3062 with bench

Dear Mr. Proudfit: -

The above order was entered in the name of Raskob pending decision as to whether or not Gewehr, our Wilmington dealer, was to be recognized in the transaction.

We now wish to advise that Gewehr, our wholesale dealer, is not to be recognized in this transaction. This is covered in Mr. Plummer's letter of July 3rd to the dealer.

This transaction will, therefore, be exclusively for the New York Wholesale Department with the exception, of course, of such special organ features as may be involved.

Very truly yours,
