

To-morrow will mark an epoch in the history of the First Presbyterian Church of this place. The magnificent new pipe organ, built by Moses, Bates & Culley, will be put into service for the first, and as it is Children's Day the three services of the day will be of peculiar interest. The pastor, Rev. I. Mench Chambers, will preach in the morning at 10.45 o'clock, choosing as the subject of the sermon, "Proved Weapons." The chorus choir, under the leadership of J. Allen Thompson, will sing both morning and evening. Miss May Patterson will continue the position of organist. In the afternoon at 3 o'clock the Sabbath School will celebrate Children's Day with a special program. The little folks of the Infant Department will also take part. In the evening there will be an instrumental and vocal praise service. The new organ will be heard at all three services. The pastor will preach a brief sermon in the evening from the theme, "The Right Use of New Blessings." The church has been recarpeted and otherwise refurnished, and will present an inviting and attractive appearance. A most cordial invitation is extended to all sojourners and to those of no church home to worship with the Presbyterians to-morrow.

Mrs. Brown, of Philadelphia, has been spending a few days with her niece, Mrs. C. G. Baxter, on Maple avenue.
