NOTES

The organ is located at the front of the octagonal sanctuary and occupies the two front walls. The Great is non-expressive and exposed on the right side, and the Swell is expressive on the left side. with a common wall shared by the two spaces.

There are three stops prepared-for: Great chimes, and Swell 4' Hohlflöte and 1-3/5' Tierce. The 4' Hohlflöte drawknob presently plays the Rohrflöte.

The Pedal 4' Oktave forms a facade over the Swell chamber grille. The Pedal 8' Oktav takes notes 1-12 from the Great 8' Principal, and the balance from the Pedal 4' Oktave.

The organ was dedicated by Dr. John Walker of the Riverside Church in New York City on April __, 1992.
