

## DEDICATE NEW APPLE CITY ORGAN TONIGHT

The new \$12,000 pipe organ recently installed in St. Patrick's Church in Watsonville will be blessed tonight and an enjoyable musical program has been arranged which is open to the public, many from Hollister planning to attend.

Warren D. Allen, organist at Stanford University, will be at the console.

His wife, Mrs. Ether H. Allen, contralto, and Mrs. Anna M. Stoesser, soprano, will be the soloists.

Rt. Rev. Msgr. Mestres will be the speaker of the evening.
