NOTE:

The Swell and Choir organs shall each be placed in separate expression boxes. The boxes are to be of special stuffed construction built up 2- $\frac{1}{2}$ inches thick. The Swell shades are to be of the improved rolling bearing type steel faced.

The Casework of the present organ will be shipped to the factory to be rebuilt and refinished.

The Display Pipes of the present organ will also be shipped to the factory and will be refinished in gold bronze.

The Chimes only of the present organ will be used, an entirely new action however will be supplied.
