

NEW ORGAN INSTALLED

Instrument at Central Y. M. C. A. is
For Use of Music Students

A new Bartholomay organ has been installed in the Central Y. M. C. A.

The instrument is of the type used in moving picture houses. Rollo F. Maitland, the organist at the Stanley Theatre, will give special instruction to students in the music school.

The first organ was the gift of John Wanamaker at the time the school began. Two organs are now in use.
