# GENERAL SPECIFICATIONS

## CONSOLE

Detached, movable with recessed wheels and cable storage, curved bench seat with crank for adjustment, safety glass music rack with fluorescent light at base, English-style with oiled walnut exterior, and roll top with lock.

## MANUALS - 3

Compass CC to C4, 61 notes.  
Bone surfaced naturals with rosewood sharps.

## PEDAL

Compass CCC to G, 32 notes, American Guild of Organists standard, with light.

## REGISTRATION

Controlled by drawknobs. The intra-manual couplers are controlled by knobs placed with their respective groups, and the intermanual and manual to pedal couplers are controlled by tilting table placed above the top manual.

## SWITCHING SYSTEM

Matters Micro Organ Processor combination action and switching with 9 levels of Memory, digital player, transposer, MIDI in and out and RS-280 port - digital readout for current, crescendo and full organ. Purchaser is responsible for minor A.C. electrical work for organ start/stop.

## TRANSPORTATION

All transportation to the Purchaser's installation site will be provided by David Salmen, Reuter's representative.

## INSTALLATION

Installation of the new console will be completed by David Salmen, Reuter's representative.

## EXISTING CONSOLE

The existing console shall remain the property of the Purchaser.

## WARRANTY

The Reuter Organ Company warranty (specimen attached) will apply to the new console.
