ORGAN DEDICATION SERVICES

Welcome and Thank You

DR. UPHOFF

This week we have reached another goal in the life of our First United Methodist Church. Like almost every other achievement of this great Church, it is the result of a deep concern, a dedicated devotion and a spirit of sacrifice.

The need has been known for many years, but a Christmas offering started the concrete action. This has been followed by continuous sacrificial giving of time, talent and treasure on the part of hundreds of persons. This organ is not the action of a single person who wanted a monument to himself; nor is it the action of a small committee or group who wanted something special for the church. It is the result of the whole church working together. Every time the great organ fills the Sanctuary with music, it will herald the triumph of unified action in completing a task.

As we dedicate this organ, we express our thanks and appreciation to all those who have caught the spirit of the risen Christ and have sought to proclaim His Gospel to the world.

RECOGNITIONS

THE ACT OF PRESENTATION

THE ACT OF DEDICATION (to be said responsively by the minister and people)

In the name of the Father, and of the Son, and of the Holy Spirit, we dedicate this organ to the praise of Almighty God.

Praise God in his sanctuary; praise him in the firmament of his power. Praise him with the sound of the trumpet; praise him with psaltry and harp.

We dedicate this organ to the cultivation of a high art: to the interpretation of the message of the Masters of music, to an appreciation of the great doxologies of the Church, and to the development of the language of praise which belongeth both to earth and to heaven.

Praise him with stringed instruments and organs. Let everything that hath breath praise the Lord. Praise ye the Lord.

We dedicate this organ to the wedding march, to thanksgiving on festal occasions, and to such inspiration in the service of song that all people may praise the Lord.

O sing unto the Lord a new song: sing unto the Lord all the earth, in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord.

We dedicate this organ to the healing of life's discords, and the revealing of the hidden soul of harmony; to the lifting of the depressed and the comforting of the sorrowing; to the humbling of the heart before the eternal mysteries, and the lifting of the soul to abiding beauty and joy, by the gospel of infinite love and good will.

That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

Designed and built by Austin Organs, Inc., Hartford, Connecticut, the organ was first used May 12, 1968. Its purchase was made possible by the generous gifts from many members and friends of First Church.

The organ, planned for many uses — congregational singing, choral and solo accompaniment, service music and recitals — combines the classic traditions of fine craftsmanship with modern American building techniques. It is truly an instrument of great flexibility, adaptable to various styles of playing and periods of composition.

The organ is a three manual and pedal instrument of 43 ranks, totaling 2083 pipes. It is the largest and newest Austin organ in the Northwest.
