

town, Maryland, party of the first part, and

St. James Lutheran Church, Marinette, Wis.

party of the second part.

Witnesseth:- That the party of the first part hereby agrees to build an organ after and according to the annexed specifications and plans to be hereafter approved by party of second part, and to erect it in St. James Church, Marinette, Wis.

ready for use on or before the 20 day of November A. D., 1921, or as soon thereafter as possible in the event of delays beyond his control.

2. The party of the first part agrees that the organ when completed shall be first class, free from defects in material or workmanship, and that the party of the second part may have it examined, immediately on completion, in the presence of representative of first party, by a competent and disinterested expert, and if said examination shows that the organ does not conform with this agreement the party of the first part agrees to remedy defects at his own expense.

3. The party of the first part guarantees the action and construction of the organ for a term of one year from date of completion and agrees to correct defects in material or workmanship that may be brought to his attention within that time, without cost to the party of the second part. This does not include tuning or ordinary care of the organ (or electric motors which are guaranteed by the manufacturers for one year).

4. In consideration of the above, the party of the second part agrees to pay to M. P. Moller, Inc., or order, the sum of Five Thousand One Hundred Seventy-five (\$5,175.00)

AS FOLLOWS: Two Thousand two hundred fifty dollars when installed and balance in three equal payments due four, eight, and twelve months payments following instillation, notes bearing Int. at 6% to be given for deferred payments.

5. The party of the second part also agrees that the building will be in proper condition for the installation of the organ 4 weeks previous to date of completion; that they will allow, free from interruption, suitable convenience and opportunity for the installation in the building, provide such a condition of quiet as is necessary for the proper tone regulation and tuning of the instrument, and necessary light, heat and power.

6. The party of the second part also agrees to insure the organ or its parts against loss by fire, water, etc., as soon as the parts are placed in the building, for the benefit of the parties hereto, as their interests may appear.
