

An organ recital will be given at the First Baptist Church next Thursday evening, September 16, when the recently installed pipe organ will be heard. Miss Annie Helse, of Philadelphia, a talented organist, will be assisted in the programme by Miss Elizabeth Evans, soloist, of Media

The Jewellers' Association, of Philadelphia, had a big picnic at Burlington Island Park on Wednesday. About three hundred members of the association were present. A big clam bake was a feature of the occasion. The party was accompanied by a band and dancing was indulged in. Games and sports helped to enliven the day.

The 61st anniversary of the founding of the First Baptist Church of Bristol will be celebrated on Sunday, September 19. All day services will be held. The dedication of the pipe organ will take place in the morning, a Sunday school rally will be held in the afternoon, and a historical programme will be given in the evening.
