

## OPEN NEW ORGAN.

An organ concert will be given at the Baptist church next Tuesday evening to celebrate the installation of the new pipe organ in that church. The concert will be given by Professor Harry Leonard Vibbard, professor of ergan and piano at Syracuse University. Professor Vibbard is said to be one of the greatest pipe organists in this part of the country, and has given over 100 concerts in this state alone, not including his work at the Pan-American Exposition. Professor Vibbard completed his study of the organ under Conrad Ansorge of Berlin, and Charles Marie Widor of Paris, and today ranks high among the best pipe organists in America.
