“The New Organ...[Ad],” (*Philadelphia*) *Public Ledger* 67, no. 144 (Thursday, September 9, 1869): 2.

 **THE NEW ORGAN JUST COMPLETED**  
for the Falls of Schuylkill Baptist Church,  
receives the following commendation to its maker:  
Mr. John Roberts, Organ Builder, Frankford,  
Philadelphia City—Dear Sir: We take great pleasure  
in assuring you of the general gratification  
expressed by our Church and congregation with the  
Organ which you have just completed for us. The  
highly exact yet simple mechanism, the delicacy  
of the individual registers, the sweetness and richness  
of tone give great satisfaction. We are proud  
of being the possessors of an instrument that gives  
evidence of being constructed in an artistic manner,  
of the best material. We feel that your part of the  
contract has been fully carried out.

Chairman; Harmon Johnson Jas S Swartz
