PROPOSAL FOR ADDITIONS TO THE REUTER ORGAN
CHAPEL HILL UNITED METHODIST CHURCH, OKLAHOMA CITY, OKLAHOMA

*Our opus list notes indicate
17 ranks were added in
1995...*

A. Great Organ:

1. Furnish and install a new 8' Trompete and chest, 61 pipes.
2. Furnish and install a new 4' Koppelflöte and chest, 61 pipes.
3. Make the existing Swell 16' Rohrbass playable on the Great in place of the Tremolo.
Provide a new stop knob with proper engraving.

B. Choir Organ:

This division to be all new pipes, chests, reservoirs, and expression shades as follows:

8'	Gedeckt	(61 new pipes and chest)
8'	Flauto Dolce	(61 new pipes and chest)
8'	Celeste (TC)	(49 new pipes and chest)
4'	Spitzflöte	(61 new pipes and chest)
2'	Principal	(61 new pipes and chest)
11/3'	Larigot	(61 new pipes and chest)
III	Cymbel	(183 new pipes and chest)
8'	Bombarde (PED)	(new drawknob to be added to stop jamb)
8'	Cromorne	(61 new pipes and chest)
	Tremolo	(reuse Great tremolo)

C. Pedal Organ:

1. Furnish and install a new IV Mixture, 128 pipes and chest.
2. Furnish and install a new 8' Bombarde, 61 pipes and chest.

D. Other additions:

The existing single level Peterson combination action will be replaced with a new Peterson combination action, 32 levels of memory. The memory selection will be made by a new LED selection panel to be mounted on the existing console name board. It is understood that the existing combination action will become the property of Roger Banks to compensate him for the labor involved in the removal and installation of the new combination action.

E. Additional items:

1. All freight will be furnished by the Builder.
2. Hoisting, if any needed, will be provided by the Purchaser.
3. Tonal finishing of the new additions, and any other tonal work as may be required will be performed by the ~~installation~~ ^{REUTER} personnel.
4. The Builders new organ warranty will apply the the new additions. The existing organ will remain under its original warranty.
