

Nave, Pews, Transept, Aisles, Lectern, Pulpit, Sacristy, and Narthex.

Organ pipes are concealed behind the far wall.

## Alt THE ORGAN:

INSTALLED 1963

Manufactured by Wicks Organ Company. 3 manuals, 20 ranks. 4 stops. Incorporates 4 ranks from the Boulevard Church. It is unknown where the remainder of the Boulevard organ is today. A rank is a set of pipes for each note on the keyboard. Normally, each rank consists of 61 pipes. A stop is a sound. The organ has the following stops: principal (also known as diapason), flute, string, and reed. The organ has both reed and flue pipes. Incorporates 4 ranks from the Boulevard Church organ. It is unknown where the remainder of that organ is.
