

United Church of Christ  
10 Bedford Street  
Abington, Massachusetts 02351

Organ Built by George S. Hutchings, Opus 211, 1890  
Retrackerized 1977 by Andover Organ Company, Methuen, Massachusetts

Console was replaced, separated from the case, rotated to face the altar, and elevated to allow the action to pass under the console to the case. *(This has the unfortunate side effect of placing the organist's ears right at pipe speaking level, in close proximity.)*

### **Stop List**
