Manual

Gedeckt	8'	(Bass/ Treble)
Principal	4'	(Bass/Treble)
Koppelfloete	4'	(Bass/Treble)
Octave	2'	
Sesquialtera	II	(Treble only)
Mixture	II-IV	
Dulzian	8'	(Treble/Bass)

Pedal

Subbass 16'
Manual to Pedal Coupler

The organ is tuned in Werckmeister III temperament. Four of the stops are divided between treble and bass at b/middle C, allowing for the playing of music conceived for two manuals. The pedalboard is straight, but slightly concave. The large wooden pipes of the Pedal Subbass are located behind the main case of the organ. Pipes of the 4' Principal form the façade; each of the three towers has at its center a decoratively embossed pipe.
