About the Builder

Michael Quimby, organbuilder, received a Bachelor of Music Education degree (1973) and a Master of Arts degree in music history and literature with applied emphasis in organ (1975) from Central Missouri State University, Warrensburg. Mr. Quimby is a member of Pi Kappa Lambda national honor society of music and the American Institute of Organbuilders, of which he serves as president for the current term (1991-1994). Additionally he served on the Board of Directors as chair of the Ethics Committee (1987-1989) for AIO. He is a member of the American Guild of Organists, having served as dean of the greater Kansas City chapter (1988-1989); the Organ Historical Society; and the American Choral Directors Association.

He is president of Quimby Pipe Organs Inc. His company is a member of Associated Pipe Organ Builders of America (APOBA). It specializes in building new pipe organs for churches, educational institutions, theaters and private homes, as well as restoring and rebuilding older organs. It also has an extensive maintenance and tuning service. Mr. Quimby presently serves as organist at First United Methodist Church in Warrensburg, Missouri.
